is estimated that ancient civilizations, such as the Romans, Byzantines, the Egyptians, the Greeks, the Babylonians and the Phoenicians have created more than 5,000 ancient churches. Church 3D

Screensaver is a splendid screensaver that displays a fabulous representation of the ancient churches built by the Christians, on the walls of which the followers of Jesus Christ believed in the presence of the power of the Holy Spirit. You will be amazed by the magnificent galleries, by the frescoes, paintings and statues. In the ancient churches, there was also a special experience. The lights, the tapestries, the furniture and decorations, the altars, the numerous windows and other similar decorations are all representative of the glory and spirituality of the ancient churches. The cover of the screensaver contains a special indicator of the presence of the Holy Spirit. In the upper part of the screensaver, in a large jewel, there appears a bright color, depending on the weather.

When the light is green, it means that the Spirit is here. Resonance is one of the very few 3D/2D music screensavers. It is a great screensaver that gives you a whole new experience with the original tunes of your favorite band or singer. The Resonance Music Screensaver displays the most famous tunes of your favorite artist in 3D. The fantastic graphics and the spectacular music will impress you for the first time. The stylish and magnificently animated screensaver will help you to live the music of your favorite artist and to search for the best version of the song you want.

## What's New In?

"The Fortress of the Queen of the South" is a Gothic cathedral, built in the year 1468. It is one of the most beautiful buildings in Mexico City, and a masterpiece of its architecture. It has 21 spires, and along its facade there are portraits of 53 heroes of Christian faith, established in this sacred place. All of them are Saints of the Archdiocese and most are buried in it, some of them in one of the chapels (Franciscan, Dominican, etc..) Also some of them are painted there: Saint Joseph, St. Rose of Lima, and others. What is included: 44 maps of other ancient churches, cathedrals and sanctuaries of the Mexican territory 53 portraits of religious figures, which are located in the St. Louis Cathedral and of the other chapels Attractive animated wallpapers that will bring the appearance of this magnificent building from any PC Scenic pictures Fun light effects, available in night mode Fully customizable features (modifiable fonts, music, speed, background, etc..)Q: How to achieve this using prototype or JQuery? I am trying to achieve the following: Here's what I've tried, but no luck: 

```
var tool_tag = $(' .addthis_inline_share_toolbox').find('a'); tool_tag.click(function() { alert('clicked'); });
```

 A: The name of your variable is not correct. 

```
var tool_tag = $(' .addthis_inline_share_toolbox').find('a'); tool_tag.click(function() { alert('clicked'); });
```

 Also, the body of your click handler is out of the scope of the declaration of tool\_
