There is no school and job, The angel is just lying down everyday. How should I spend my time? Is it okay not to see a human being? Is there such a thing like a dream? Sinking : If you make a big thing, you can save a girl who is in trouble. You can get a new heart... Welcome to the World of Angels who follow the gods, There was a young angel named Etriel. Etriel was recommended to the Archangel by other angels for his great ability and character. The promotion test to be an Archangel is scheduled in 30days, and Etriel was confident about it. But, he had a huge disadvantage to take the test. He had no experience by serving as a Guardian angels. His dream is to be the great angel and take care of every angels. So, Etriel goes down to the human world for experiences which guardian angels should take. Meanwhile, In the town of Bree, a small town outside the kingdom of Bastea, there lived a girl named Seira. Young men in that town were enlisted to the army for the long long wars among other countries. She was kind of bright and active lady, so was beloved by every people in town. Now, The angel Etriel and the human Seira is about to meet. Game Features Story-based game without battleVarious systems such as work part-time, cooking, collecting, etc.Various events and event scenesHidden stories and multi endings About The Game LOA : Me And Angel: There is no school and job, The angel is just lying down everyday. Experience the thrill of space travel aboard the space station! Panic Mode: Taking the perfect escape from a lethal situation is a challenge even for the most experienced escape room players. In Panic Mode, your goal is to find a way to escape the deadly situation. To beat Panic Mode, you need to solve multiple puzzles in a certain amount of time, including activating items around the room and manipulating the environment. The more time you use, the longer you'll have to solve all the puzzles. Use the countdown timer to your advantage! The red X on the timer gauge will disappear when you're in the perfect time. Solve the puzzles to save time! The more puzzles you complete, the more time you get to play. Use items you find to manipulate your surroundings. Space is a vast and lonely place where no one is around. However, in this game, you get to experience being on a space station. Interact with objects around you to figure out where they are and what they do. Take advantage of the full room scale experience to look around the entire space station, and, of course, bring your friends along for a group experience. Share your time by answering Question Boards for your friends ???? ?????????? ?????????? ???? ????????, ??? ??? ?????? ????? ?? ??????? ???? ????????? ?????. Space Panic VR is a VR Escape Room unlike any other you've seen before. Set in the future aboard a space station, the game will challenge players to solve multiple complex puzzles in order to escape. Try Panic Mode if you want more of a challenge.Features: Panic Mode with time constraints Compete with other players to get the best times on the Leaderboards Room scale with Arc Teleport Item belt for conveniently holding more than 2 items Spatial audio

realistically enhances objects and various other sound effects. Haptic feedback when touching interactable objects High definition textures and graphics with the power of Unity 5 Experience being in orbit around Earth About This Game: Experience the thrill of space travel aboard the space station!
