Parents should always keep a watchful eye on their children while they are playing video games. If video games are not age appropriate for a child, use of such games can serve as an inordinate time waster and prompt play behavior such as stealing, bad language and personal injury. Car accidents and auto crashes can occur because children are distracted while playing video games such as driving.[16] and the old one has a whole bunch of todos for the csv support that wasn't shipped with the release. but everything should be fully fixed up. . todo: - get rid of all the logs for now - rename T4X to Atari eXplorer (my old code name for this project) - code cleanup: - the loops are a bit of a mess - make sure all of the values that get written to log /
