April 10, 2564 B.C. â€"ottiophy fe98829e30 tadgems say:. With the onset of the day, they were joined by 20 more warriors with bows and swords. They didn't know if they were children of the gods or demons, but what they saw was incredible. They saw how fireballs, leaving black trails, fell to the ground, how horsemen appeared out of nowhere, and how
