November 5, 2015 - A free and easy-to-install video player. If you are looking for an alternative to mainstream playback packages like Windows Media. (and not only) - then this is a great choice for you. I recommend downloading the video player from the following link: <http://www.avs4you.com/wlplayer/> - you should not use any of these third party mirrors. I'm using my own developer key as permission to install.
