In this Washington Times article, the author says that Democrats and Republicans in the US Senate have a certain bloc of states in mind when they use the phrase "Bible Belt". The Washington Times article also says that Democrats think it's important to win back the Bible Belt, while Republicans think that winning over the Bible Belt will give them the greatest chance of capturing the House of Representatives, so that the rightward drift of the country can be reversed. It seems to me that the parts of the country where the religious group most strongly identifies itself with is called the "Bible Belt", so does that term mean something different in American politics? Is the "Bible Belt" the western US? A: A Gallup poll in 2005 showed the following definition of the term: The Bible Belt includes the states of North Carolina, Alabama, Arkansas, and Tennessee. It is one of six cultural regions in the United States, identified in 1988 by the General Social Survey, an annual national poll of approximately 16,000 adults conducted by the National Opinion Research Center at the University of Chicago. The Bible Belt as defined by the General Social Survey includes those states and the District of Columbia because (1) they have the highest percentage of church-attending Christians in all the regions surveyed, and (2) church attendance is highest in these states. (The term "Bible Belt" is 79a2804d6b
